

# OLYMPO Tabletop

## TABLETOPS

A tribute to fire and the life that it emanates, turning that same fire on the old Olympus, where the gods lived. The amazing workmanship, with GlammFire seal, turn Olympus Tabletop's burner into something more than that. The union between the flames and the forms is addictive and creates formats never seen before.

Let the power of fire, in its most genuine state, get into your life.
