

GlammFire

York KIT 3D

The pure and the immaculate appear as synonyms of elegance.

The elegance of the straight lines that redeem for the present the reminiscences from the past. York creates an elegant and comfortable environment that appeals to the conviviality and sharing of experiences and emotions.

GlammFire

York KIT 3D

Made from the finest materials - black lacquered steel, brushed stainless steel and rusted corten steel - and running on an environmentally friendly fuel - the electricity -, York is a fireplace with its eyes set on an elegant future that does not leave the charm of the past.

GlamFire

York KIT 3D

Assume that the fire takes different proportions, in different frames.

Like the frames of the most beautiful works of art, we believe that fire also takes on different appearances through the materials that surround the flames. Contrary to what happens in these works, in York can beautify the fire with different materials.

//Decorative upper sheet// (kit 3D)

*included

//Decorative firewood (kit 3D)

*included

//Marble stones

//Marble stones + Wood
