

Haydn

Revillusion® | 230V/50Hz | 2000 Watt

The Haydn has a classic country style, with a touch of modern. Experience the pure feeling of an original fireplace, thanks to the brick back panel and the realistic flames burning in the middle, above softly glowing logs. Adjust the ambient lighting and the thermostat to your preference. Sit back and relax!

- Great sized fireplace in a classic country home style
- Mantelpiece made of natural oak wood veneer
- Brick back panel for an authentic look
- Revillusion® flame technology provides a personally adjustable fire image with surprising depth effect
- Adds additional atmosphere with custom atmospheric lighting and colour enhancement

Viewing configurations

One-sided decorative fireplace.

Flame Effect

Fully adjustable fire image with high-contrast flames for a surprisingly deep and lifelike effect.

All-season flames

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Flame technology

Revillusion® flame technology, doubles the visual depth of the fire.

LED Lighting

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.

Colour-changing flame

Colour alternating flame effects.

Heating

Powerful fan-assisted heating by safe element that provides additional heating on demand.

Multi-function Remote

Control all functions of the fireplace from the comfort of your chair.

Touch Control

Fireplace can also be operated via button display on the fireplace.

Timer

Adjustable up to 8 hours.

Plug and Play

Easy to connect to a standard socket for instant atmosphere.

Installation

Freestanding model.
