Optiflame® | 230V/50Hz | 1800 Watt

A wonderfully compact stove which will bring a real fire feeling with the convenience of electric, great to enrich even the smallest living space. The look of a classic cast-iron stove, with contemporary styling and many features. The opening glass door adds to that authentic feeling, while staring into the warm red flames and logs of the Optiflame® fire. Adjust the flame and heat setting over the concealed controls or with the remote.

- Freestanding classic cast-iron look stove with modern touch in a matt black finish
- Opening door with glass and a silver handle
- Rotary thermostat for temperature control

Viewing configurations

One-sided decorative fireplace

Flame Effect

Flames rising over a highly realistic glowing fire bed.

All-season flames

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Flame technology

Optiflame® technology, soothing flames with a lit glow bed.

LED Lighting

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.

Heating

Powerful fan-assisted heating by safe element that provides additional heating on demand.

Multi-function Remote

Control all functions of the fireplace from the comfort of your chair.

Touch Control

Fireplace can also be operated via button display on the fireplace.

Plug and Play

Easy to connect to a standard socket for instant atmosphere.

Installation

Freestanding model.
