

Sherwood

Revillusion® | 230V/50Hz | 2000 Watt

The Sherwood brings the allure and style of a grand, modern fireplace into your home. The grey wooden accent subtly matches the marble panel inside. Its large, 30' Revillusion® fire is not only stunningly catching, it also has many settings and heat to suit your style and mood at any moment.

- Great sized modern fireplace in high-gloss white
- Design accent with grey wood veneer finish
- Back panel of the firebox in concrete look
- Revillusion® flame technology provides a personally adjustable fire image with surprising depth effect
- Adds additional atmosphere with custom atmospheric lighting and colour enhancement

Viewing configurations

One-sided decorative fireplace.

Flame Effect

Fully adjustable fire image with high-contrast flames for a surprisingly deep and lifelike effect.

All-season flames

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Flame technology

Revillusion® flame technology, doubles the visual depth of the fire.

LED Lighting

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.

Colour-changing flame

Colour alternating flame effects.

Heating

Powerful fan-assisted heating by safe element that provides additional heating on demand.

Multi-function Remote

Control all functions of the fireplace from the comfort of your chair.

Touch Control

Fireplace can also be operated via button display on the fireplace.

Plug and Play

Easy to connect to a standard socket for instant atmosphere.

Installation

Freestanding model
