

Verdi

Optimyst® | 230V/50Hz | 2000 Watt

With its slender, tall and light design, the Verdi has already earned the appreciation of many. Quickly to install, yet a lasting focal point in even the smallest living room. Designed for quality time around the realistic fire, while enjoying pleasant warmth.

- Modern Scandinavian design almost 150 cm high
- Oval body with high-gloss finish
- With storage compartment for logs
- Decorative silver frame around the firebox
- Optional: mirror back panel wall that intensifies the flame picture

Viewing configurations

One-sided decorative fireplace.

Flame Effect

Surprising by the floating flame and smoke effect and variable flame intensity..

All-season flames

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Flame technology

Optimyst® flame technology, flame patterns by cold water vapour.

Heating

Powerful fan-assisted heating by safe element that provides additional heating on demand.

Multi-function Remote

Control all functions of the fireplace from the comfort of your chair.

Plug and Play

Easy to connect to a standard socket for instant atmosphere.

Installation

Freestanding model.
