Torn 64 | 100

Optimyst® | 230V/50Hz | 64 / 2000 Watt

level of fire

Torn 64   Torn 100

The refined simplicity of the TORN Line brings an extra level to the most diverse interiors, and that in almost every place. As a beacon of tranquility and inspiration. Thanks to the electric Optimyst® fire, TORN fireplaces are also clean, safe and sustainable, with atmospheric flames that consist only of cold water vapour and light. Experience the power of essence.

Refined simplicity

The refined simplicity of the TORN Line brings an extra level of ambiance to the most diverse interiors, exactly where you want it. All of this is due to the fascinating yet safe Optimyst® flames and the compact, Freestanding design, which does not require a chimney. The high model is equipped with pleasant and silent electric heating. Experience the power of essence.

· Compact size for ambiance almost everywhere in your home
· Easy-fill water tank, for several hours of operation
· Logset included
· Built-in thermosatic heater can be operated separately (Torn 100 only)

Flame Effect
Surprising by the floating flame and smoke effect and variable flame intensity..

All-season flames
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Flame technology
Optimyst® flame technology, flame patterns by cold water vapour.

Multi-function Remote
Control all functions of the fireplace from the comfort of your chair.

Plug and Play
Easy to connect to a standard socket for instant atmosphere.

Installation
Freestanding model
